

ASSEMBLY INSTRUCTION TRI-FOLD MIRROR

Note: For your safety, and to prevent damage to your product, you will need 2 people to complete step 2.

step 1

First attach the black mounting brackets to the back of the table as illustrated below.

Fixing screws and pre-drilled holes are provided for this purpose.

step 2

With the help of a second person, position the mirror upright on the table as illustrated below. Align the black mounting brackets with the central section as shown. Holding the mirror in position, secure the bracket using the screws provided.
